****MEDIA ADVISORY****

Open House

WHO: [The Refrigeration School, Inc.](#) (RSI)

WHAT: RSI, a national leader in technical education for students seeking professional careers as heating, ventilation, air conditioning, refrigeration and electrical technicians (HVACRE) as well as maintenance engineers, will hold an open house co-hosted by HVACRE employer Parker & Sons, Inc.

The public is invited to tour the campus and see the latest HVACRE equipment and trucks, get job insights from working technicians and learn about financial options to pursue a HVACRE degree. RSI will also be providing refreshments and the opportunity to win tickets to the Arizona Diamondbacks as well as gift cards for local stores.

WHEN: Saturday, February 7 from 10:00 a.m. to 2:00 p.m.

WHERE: The Refrigeration School, Inc. (RSI)
4210 East Washington
Phoenix, Ariz. 85034
RSI is located at the 44th Street & Washington Street (Sky Harbor) METRO Light Rail stop.

WHY: RSI is an expert in heating and cooling, and students have trusted the school to transform careers since 1965. The school's strong job placement program provides critical support for students and alumni. Parker & Sons, Inc. has been serving the Valley's heating and cooling needs for over 30 years. School and business are partnering together to hold this open house to provide the opportunity for people starting out, as well as for people who need a new start in these tough economic times, to see and learn first-hand about RSI's four specialty training programs and HVACRE jobs that are in demand.
