

## FACULTY ADDENDUM

To Catalog Number 52, Effective February 1, 2018  
Faculty Addendum Effective February 1, 2018

---

**David W. Heiman, II, Lead Instructor, Fundamental of Electricity (Since 2015)** – He has a Master’s of Business Administration (Technology Management) from the University of Phoenix. He has over 20 years’ experience as an electrician.

**Larrison Smith, Lead Welding Instructor (Since 2018)** - Mr. Smith has AWS Certifications from Maricopa Skills Center and has over 7 years’ experience in the field and background as a welding instructor.

**Anthony Abbs, Senior Instructor, Advanced Trouble-Shooting (Since 2017)** – Mr. Abbs has an Associate in Applied Science Degree in Middle Management and is a graduate of the Refrigeration School with a diploma in Electro-Mechanical Technologies. Additionally, he has over fifteen years of experience as a HVAC Technician

**Edward Bennett, Instructor, Comfort Systems – Commercial (Since 2014)** – He has an A.S. Degree in HVACR from San Joaquin Valley College in Bakersfield, CA. In addition to many years of experience in the field, he has been a HVACR instructor for over 12 years.

**Roger Brooke, Instructor, Refrigeration Systems and Practices (Since 2011)** – He has held roles such as Service Technician in Commercial and Residential, Appliance Repair Technician, and Master Heat Pump Technician with over 15 years of experience in the field.

**Guy Caldwell, Senior Instructor, Fundamentals of Refrigeration (Since 2011)** – He is a graduate of an HVAC Program, holds a Journeyman Electrician license, and operated his own business for many years with a combined total of over 15 years of experience in the field.

**Amanda Childress, Adjunct On Line English Instructor for the MME Program (Since 2014)** – She holds a B.S and Masters in English from Missouri State University in Springfield, MO and has been an English Instructor for over 5 years.

**Ronald Clenney, Senior Instructor, Electrical Wiring –Commercial (Since 2013)** – He has over 3 years of experience in the field, including roles such as Electrician, Foreman, and Journeyman.

**Jene Dawson, Instructor, Electrical Wiring, Residential (Since 2017)** – Mr. Dawson attended DeVry University and received an Electronics Technician’s Diploma. He has over 8 years work experience in electrical wiring and HVAC. Additionally, he is EPA and CPO certified.

**Isaac Furlonge, Adjunct On-Line Math Instructor for the MME Program (Since 2014)** - He has an A.A. Degree in Math from Indiana University SE, New Albany, IN and a B.S. in math from Northern Arizona University in Flagstaff, AZ. He has over 5 years’ experience as a math instructor at the secondary and postsecondary level.

**Baran Galocy, Instructor, Fundamentals of Solar – (Since 2018)** - Mr. Galocy attended Palm Beach State College, Lakeworth, FL. He is a certified electrician with over 25 years of experience working in the field.

**Zachary Grim, Instructor, Electrical Wiring, Commercial (Since 2017)** – Mr. Grim attended Gateway Community College where he received Certification for the Electrical Apprentice Program. He has over 8 years work experience in the electrical industry holding positions as an electrician, field Engineer, and field supervisor.

**Christina Hammerton – Adjunct On-Line English Instructor (Since 2017)** – Ms. Hammerton has a B.A. in Psychology and a M.A in Creative Writing. She has over eleven years of experience teaching English both on-line and brick and mortar.

**Raymond Haynes, Instructor, Electrical Wiring, Residential (Since 2017)** – Mr. Haynes has over twenty six years work experience as an electrician.

**Michael Heise, Welding Instructor (Since 2018)** – Mr. Heise has an A.A degree in Welding, Engineering, and Metallurgy from Salt Lake Vocational College and has 36 years in the industry.

**Ralph Hunsley, Welding Instructor (Since 2017)** – Mr. Hunsley has a B.S. degree in Workforce Education and Development from Southern Illinois University. He has 20 years' experience as a trainer, evaluator and curriculum developer.

**Andres P. Jacquez, Welding Instructor (Since 218)** – Mr. Jacquez has an Associates of Science degree and a Bachelor of Science degree. Additionally, he has a diploma from Phoenix Tech in Pipe Welding and over 15 years of work experience in the welding field.

**Alan Lucio, Instructor, HVR Comfort Systems Residential (Since 2015)** - He is a graduate of the Refrigeration School, Phoenix, AZ and has 8 years' experience as a HVAC technician.

**William Oliver, Instructor, Fundamentals of Electricity (Since 2017)** – Mr. Oliver is a graduate of the HVAC program at Universal Technical Institute and has over nine years work experience in the HVAC industry.

**Miguel Orduno, Senior Instructor, Advanced Trouble-Shooting (Since 2010)** – The Refrigeration School Graduate, and Arizona Automotive Institute Graduate, with over 25 years of experience in the field including roles such as AC Technician and President/Owner Master Techs AC, and has certificates in Master Heat Pump and Loss Prevention from the State of Arizona.

**Michael Poeske, HVAC Instructor (Since 2016)** – He attended Renton Technical college where he received a Certificate of Completion in Refrigeration Technology/HVAC. He has over 20 years work experience in HVAC.

**James Russ, Instructor, Fundamentals of Electricity (Since 2017)** – Mr. Russ received Certification in Electronics at the USAF Tech School in Denver, CO. Additionally he completed three years of Electrical Engineering coursework at Arizona State University. He has over 20 years work experience as a HVAC/Electrical technician and over six years of experience as an electrical/HVAC instructor.

**Eric Smith, Adjunct Instructor – Basic College Math for MME Program (Since 2014)** – Mr. Smith has a B.S. and MBA in Marketing from University of Alabama; over 10 years of experience in education.

**Andrea Sommer – Adjunct Instructor English Composition (AOS – Mechanical Maintenance Engineering Program) (Since 2015)** – She has a Master of Arts Degree from the University of Phoenix and has a Bachelor of Arts (Political Science/History) from Arizona State University. She has eight years of experience in education.

**Larry Thompson, Instructor, Fundamentals of Solar Instructor (Since 2014)** – He has B.S. in Economics and over 28 years' experience in HVAC.

**Greg Thraen – Instructor, Refrigeration Technology Program Instructor (2015)** – He is a graduate of The Refrigeration School with over 25 years of experience in the field including residential and light commercial air conditioning and heating.

**Michael Tillman, Adjunct Instructor for MME Program – Advanced Classes (Ground) (Since 2003)** – The Refrigeration School Graduate with Honors as well as an Associate of Applied Science degree in Air Conditioning and a Bachelor of Science degree in Business/Public Administration with over 30 years of experience in the field.

**Randall Trojacek, Welding Program Instructor (Since 2018)** – Mr. Trojacek has an AAS in Welding Technology from Texas State Technical College. Additionally, he is a certified welder with over eleven years of work experience in the field using the SMAW, MGAW and GTAW welding processes.

**Christopher Watt, Comfort Systems – Commercial (Since 2013)** – He is a graduate of The Refrigeration School with over 7 years of experience in the field.

**Brian Willia, MME Instructor (Since 2017)** – Mr. Willia has a Bachelor of Business Administration Degree and a Master of Arts Degree both from the University of Iowa. He has over 15 years work experience in HVAC and over 7 years work experience in electrical and mechanical maintenance.
