## Financial Aid Information

The Refrigeration School's Financial Aid Office is available to assist students with developing a financial plan to pay for welder training. For those students needing financial assistance, federal student aid is financial help available to eligible students and assists with paying for educational expenses while attending school. There are many types of financial aid available for those qualifying applicants which includes grants that don't have to be paid back, as well as low-interest, government-backed loans that must be repaid. Federal Student Aid eligibility is based on individual student information and all students may not be eligible.

Basic eligibility requirements are that you must:

- Have a HS Diploma or GED,
- Not be in default on a federal student loan or owe a repayment on a grant,
- Maintain Satisfactory Academic Progress,
- Be registered with Selective Service, if required,
- Have a valid Social Security Number, and
- Be working towards a degree or certificate in an eligible program.

All students who receive federal student aid while attending RSI will have any unearned funds returned to the federal student aid programs should they withdraw prior to completing more than 60% of the payment period from which they withdrew and is calculated based on the student's last date of attendance. More information regarding the return of federal student aid and refund policies can be obtained from the Financial Aid Office.

### Drug Conviction Affects on Federal Student Aid Eligibility
